*The ADA Council on Scientific Affairs' Acceptance of Image is based on its finding that the product is effective for use in the construction of full or partial dentures.

Optimum Denture

Dixie Dental Center is now offering our Optimum Denture. The triple layer hardened acrylic Image teeth are specially customized to give you our most esthetic and longest lasting denture ever. Back teeth are cusped (pointed) for better chewing efficiency.

One year warranty against breakage.

We offer many shades from the whitest to the most natural as well as many different sizes and shapes. Our Dentist, assistants and technicians will work with you to customize and give you the look you want.

\$998 set
\$525 single
